

Thursday, October 5, 2017

This week the students and staff of Edmore School have the opportunity to wear a hat each day. If they choose to participate, they will need to pay \$5.00/day they choose to wear a hat. This is a fundraising effort for the hurricane victims in Puerto Rico. There are many schools across the state participating in the event and we will share the total dollar amount raised in North Dakota by the schools. Again, it is not mandatory to participate. Any outside donations will be accepted as well.

If anyone is interested in attending **Health Career Day** on their own **October 5**, please see Mrs. Henry.
